Simunto

ORDER FORM
Educational / Research license for

Via

Simunto provides licenses of its MATSim visualization and analysis tool «Via» at preferred conditions to universities or other educational or research institutes for research projects. Note that the license does not allow to use the software for commercial services provided by the license holder.

To order an educational/research license, please fill in the following form, sign it and send a scan to via@simunto.com. Simunto reserves the right to decline the license request in case it cannot verify that the purchaser qualifies for an educational/research license.

Name:

This information will appear in the license file.

Organisation:

This information will appear in the license file.

Email:

The license file will be sent to this email address.
